You should send a legal substitute – the official second NR.

What should I do if I want to run for election?

It's desirable if candidates give their candidature at least 2 weeks before the meeting.

However, it may be possible to give candidature at the General Assembly.

Possible candidates will be encouraged to send a short description of agenda and CV for the SOE-YO homepage.

Physical presence at the SOE-meeting is not mandatory to be elected, since a substitute can read up their speech if needed.

I am a NR / or a YO from a country only associated with SOE:

Countries who are associated members of SOE, can also nominate a SOE-YO National **Representative. But these National Representatives can't vote at the General Assembly and can't become members of the SOE-YO committee.**

But they are more than welcome to take part in subcommittees and to talk at the General Assembly.
